

## **DirecTV Transition**

October 31, 2012

Crestview Homeowners,

After some unexpected delays over the last 3 months we are not positioned to transition to a new cable provider at Crestview Condominiums in November. As you are aware Comcast has been our television provider for the recent past. Due to many reasons, the Home Owners Association has decided to change the television service provider from Comcast to DirecTV. This transition will happen within the next few weeks, and we need some information from you to make this transition go as smoothly as possible.

We have selected Groove Satellite to be our installation partner moving forward. Groove Satellite located in Holladay, UT has offered us DirecTV's bulk programming as an alternative solution to Comcast. This solution comes at a lower monthly price, offers better programming, and they are a local provider.

### **Ordering Additional Services**

In order to have a smooth transition Groove will need to gather some information to determine your television, phone and Internet needs. They also need to know what you're interested in receiving from DirecTV such as HD Programming, DVR and premium channels or additional receivers. If you are not interested in any upgrades, you will receive the basic bulk programming at no monthly cost to you.

If you have any questions through this process, please contact Groove Satellite at 801-260-9095 and mention you are with Crestview Condos.

### **Comcast Services**

If you have Comcast services such as Internet or phone service that utilize the coaxial cable wiring in your unit, you will need to contact Comcast to determine what additional steps may be needed to continue those services. The common coaxial wiring will exclusively serve the services provided by Groove Satellite after the transition.

Thanks again,

Crestview HOA

If you have HOA questions – contact Jim Simmons at (435)575-0420 or Brian Snaith at (435)513-9447.
