10. ASSESSMENTS.

10.1 The Declaration provides that Annual Assessments shall be payable in twelve equal monthly installments. Nevertheless, the practice of the Association and its managers has been to collect Annual Assessments on a quarterly basis, with one-fourth of the Annual Assessments being due and payable on each of the following days of the year: January 1st, April 1st, July 1st and October 1st. The Board has determined, and experience has shown, that collection of Annual Assessments on a quarterly basis in this manner is more efficient, more cost-effective, and is administratively more convenient than requiring monthly payments. In addition, the Board has determined that collection of Annual Assessments on a quarterly basis is not materially inconsistent with the provisions of the Declaration, and does not result in any material prejudice to the Owners. Therefore, the Board hereby adopts the continued practice of collecting Annual Assessments on a quarterly basis. Nothing in this provision, however, shall be construed to prohibit any Owner from submitting payment to the Association of his or her Annual Assessments on a monthly basis, if the Owner chooses to make such payments on a monthly basis. The Association will accept and account for any Annual Assessments paid on a monthly basis by any Owner

11. COLLECTIONS.

11.1 The Association shall enforce its lien for assessments as provided by Utah Law. The Association states that all Assessments shall be late if not paid with 30 (30) days of due date for such Assessment and all unpaid assessments shall bear interest as provided in the Declaration, or if the Declaration is silent, than at 15% per annum.

If the Board determines to withhold its consent and approval, it must explain the basis for its determination in writing and deliver the written explanation to the affected Owner(s). If the Board determines to grant approval for the proposed use, the Board shall grant such approval in writing. Only after written approval has been granted by the Board may construction work, or reconfiguration of space, begin. If construction work is started prior to receiving written approval from the Board, the Board may take any necessary measure to stop such work, and all costs and expenses incurred by the Association in seeking to stop such work shall be borne by the Owner responsible for such work, including, without limitation, reasonable attorneys' fees (including fees incurred without any court action as well as fees incurred in relation to any court action or proceeding), court costs, and other such expenses.

To obtain such written approval, the Owner must submit a written request to the Board containing the following information: a detailed description of the nature of the renovation, the person responsible for the renovation, and schematic or architectural plans showing the proposed renovations. Permission for renovating individual Units will be given in writing, and only after such written permission is given may any construction work or reconfiguration of the space begin. If construction is started prior to gaining such written approval, the Board may take all necessary steps to stop such work, and the expenses of such actions will be borne by the individual Units owner (including reasonably attorney's fees). The Board may only withhold its consent and approval for proposed renovations if it reasonably determines that withholding consent and approval is necessary (i) to protect or preserve the Common Areas or Common Facilities, or (ii) to keep the Common Areas or Common Facilities in a good, clean, attractive, safe, or sanitary condition, order or repair. No Owner shall direct, supervise, or in any manner attempt to assert any control over the employees of the Management Company or the Association.

30. RENTAL MANAGEMENT COMPANIES:

30.1 It is important for the Shadow Ridge Condominiums Project that appropriate measures be taken to provide for the safety and security of persons and guests using the property, to protect the individually-owned and commonly owned areas of the project, to establish security and damage control systems, and to properly manage and operate the front desk registration area as a Common Area of this hotel condominium project. In furtherance of these objectives, the Board has determined that the front desk personnel must maintain reasonable control over the card keys for each Unit and to whom such card keys are given. Accordingly, the following Rules shall apply:

30.1.1 In the interest of security within the Shadow Ridge building, all noncommercial Units are required to use only the locking system approved by the Board of the Association. At this time, the Association has an approved locking system which must be used. The Association may, from time to time, change the approved locking for the benefit of the Owners. Owners of noncommercial units are prohibited from changing their locks to another locking system. The locking system shall be maintained, repaired, and, if necessary, replaced as a Common Expense of the Association. Owners of commercial space must provide the on-site Association manager with a copy of the keys to the commercial space, in order to allow access in the event of an emergency.

30.1.2 All authorized Owners, renters, and guests will be issued Card Keys for the subject rooms by the Shadow Ridge Registration Desk Staff during normal working hours. At the time of Card Key issuance, an imprint of the renter's credit card shall be taken as security for loss of or damage to property or Common Areas of the project traceable to the renter or someone in the renter's party. Upon departure, the renters shall either return the Card Key(s) directly to the Shadow Ridge Registration front desk staff or leave the Card Key(s) locked in their room. The personnel operating the Registration Desk shall, to the extent reasonably possible, keep confidential the names, personal information and credit card information of the renters, and shall not provide the same to any rental management company.

30.1.3 The Board reserves the right, on behalf of the Association, to have the management and operation activities of the front desk performed by one or more independent contractors, managers, or employees, and to pay for the costs and expenses of the same as Common Expenses of the Association.

30.1.4 Card Key control, safety and security, application of the Rules herein, and all other appropriate policies shall be the same for all owners, renters, and guests, regardless of which rental management company or similar entity is managing any particular Unit.

31 ACCESS TO COMMON MECHANICAL SPACES.

31.1 In the interests of security and preservation of common areas and facilities of the

SR HOA, owners may access Common Mechanical or Electrical Spaces of Shadow Ridge (the electrical room, the boiler room, the telephone room, the non-guest laundry room, the storage rooms on B2, the storage rooms on B1, the maintenance office and garage, and any other designated HOA storage rooms or mechanical space areas) only upon following these procedures and only in the presence of the HOA manager or his/her designated representative. (a) A written letter must be sent to the HOA at least one week before the requested entry date (a written e-mail request is acceptable). (b) The letter must describe with reasonable particularity the reason(s) for the desired access to any of these areas. (c) An exact time must be given for the entry into the requested area. (d) A Board member, or the Board's authorized representative, must approve the entry request in writing (an e-mail response is acceptable). The Board may withhold its approval only if, in its reasonable determination, the requested access (i) presents security risks to the Association's common areas or facilities, (ii) presents risks of harm or damage to the Association's common areas or facilities, and/or (iii) in the discretion of the board, is not for a valid purpose. (e) Entry into the requested space is allowed only in the presence of the HOA manager or his/her designated representative. (f) The only space that may be entered is that which is requested in the written letter or e-mail.

### 32 REGISTRATION OF OWNERS, FRIENDS, RELATIVES AND GUESTS.

32.1 All Shadow Ridge Units owners are entitled to host friends and family in their units. Should an owner choose to allow friends or family the use of their Units while they themselves are not present, certain security measures must be met. Due to security concerns, these guests must register at the front desk, providing name, address, and phone number. In addition, the guest must provide the front desk with a credit card number to be placed on file in case they cause damage to the common areas of Shadow Ridge. This credit card information will be destroyed after the friend or family member leaves if no attributable damage to common areas is discovered. Due to security concerns, at all times, everyone (including owners) who stay in any Units at Shadow Ridge, must register with the front desk so that the HOA Manager knows exactly who is staying at Shadow Ridge at all times.

### 33 BALCONIES AND BALCONY AREAS

- 33.1 Balconies and railings are maintained by the HOA to present a uniform building appearance. Therefore Owners may not renovate, alter, repaint, or otherwise change balconies and balcony areas or their railings. Owners are prohibited from placing unacceptable items on the balconies which include (but are not limited to) sports equipment (skis, bikes, etc.), charcoal solid fuel grills, fire pits, non-living plants, any form of storage, tools, or laundry. Awnings, sunshades, or umbrellas are also not permitted as storm force winds are not uncommon in our area.
- 33.2 The following acceptable items may be placed on balconies: patio furniture, propane gas or electric BBQ grills, and live potted plants. All acceptable items that are placed on balconies should be secure so as not to present a hazard to the common areas or people.

33.3 Shadow Ridge Condominium is a Non-Smoking facility. This non-smoking policy includes all balconies and balcony areas at all times.

34 EMPLOYEES

34.1 The Board may, in its discretion, hire and fire employees of the Association. The Board may hire employees of the Association for the following types of positions: a general manager, a maintenance person, a housekeeping person, and any other personnel deemed necessary to run the Project in a responsible manner, consistent with its historical hotel-condominium uses, or to protect or preserve the Common Areas and Common Facilities. The salaries and payroll expenses of such employees shall be Common Expenses of the Association, paid from the Common Expense Fund. The Board may, in its reasonable discretion, terminate the employment of such employees
