Dear Shadow Ridge Condominiums Owners,

Your Shadow Ridge Condominiums Owners Association was well represented by myself, past President Jerry Weider, past Board Member Sean Railton, and ASRL Director of Park City Operations Gary Gregg at the Open House hosted by PEG on Monday evening at the Hyatt Place.

The event was well attended and included very detailed visual displays and conceptual renderings of the proposed development hosted by five development experts.

We spoke individually at length with PEG CEO Robert Schmidt specifically about the future of Shadow Ridge and their development plans at the PCMR.

Suffice it to say, our concerns will be included in all development plans. If you want to provide feedback or have questions, please email PEG at: baseareaproject@gmail.com.

Better yet, plan to attend in person one of the two other scheduled Open Houses this month on Wednesday, March 18th or Tuesday, March 24th from 5:30-7:30pm.

Many of our neighbors were present and the hors d'oeuvres and beverages were excellent!

Gordon Kimpel, President

Shadow Ridge Condominiums Owners Association
