Customer speed experiences will vary, particularly when accessing the Internet wirelessly from various devices. Download speeds are via a wired connection. Internet speeds are not guaranteed due to conditions outside of network control, including customer location, devices, equipment, and access through a wired or wireless connection; see [www.centurylink.com/InternetPolicy](http://www.centurylink.com/InternetPolicy) for more information.

Service and offer are not available everywhere. Available to new qualifying, residential customers and current CenturyLink residential customers who qualify, contact CenturyLink for details. Limited time offer. Credit check, deposit or prepayment with a credit or debit card may be required. **Rate requires new Internet subscription and paperless billing. If paperless billing is cancelled or not activated in a timely manner, the then-current standard rate will apply.** Month to month (referred to as "no contract") service means no term commitment and may be cancelled at any time without an early termination fee but customer must accept High-Speed Internet Subscriber Agreement prior to using service (see [www.centurylink.com/eula](http://www.centurylink.com/eula)). When cancelling service on any day other than the last day of your billing cycle, all monthly rates, fees, and taxes, will apply in full and payments received for unused service will not be refunded or credited to account. Plan cannot be combined with other promotions. Customer must remain in good standing and Price for Life offer terminates if customer changes their account in any manner, including change of address (even if plan is available), change to service, and service suspension (Vacation Program) or disconnection. Additional restrictions may apply. CenturyLink may change, cancel, or substitute offers and services, or vary them by service area, at its sole discretion without notice. All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at [www.centurylink.com/terms](http://www.centurylink.com/terms). See [www.centurylink.com/feesandtaxes](http://www.centurylink.com/feesandtaxes) for applicable taxes, fees and surcharges. **Prepayment:** If offer requires monthly prepayment, service will begin on the date your order is completed and full payment is processed through your choice of debit card, credit card, or other prepay service available with your subscription. Each month following, a recurring e-commerce transaction for your service will be processed as service automatically renews monthly until cancelled by customer. When cancelling service on any day other than the last day of your billing cycle, all monthly rates, fees, and taxes, will apply in full and payments received for unused service will not be refunded or credited to account. To cancel, customer must log-in to account portal and click cancel to place the request. **Secure WiFi:** If your modem includes the Secure WiFi feature, it should begin working within 72 hours of activating as long as you fully install it and leave it plugged in. Altering modem settings may disable Secure WiFi, as will Internet connection issues. If you are unsure whether Secure WiFi is working, contact us. Restrictions apply. ©2021 CenturyLink.
